SMAC Fit Pass

Class Descriptions

Strength / Power

Circuit Training: a circuit style session that focuses on high intensity interval training, tabata, and traditional resistance circuits. Great for everyone of all fitness levels looking to burn fat, increase their cardio, or build strength.

TRX Strong: Full-body suspension training focused on building strength.

Pilates Total Body: A great full-body workout for strength, flexibility and core control utilizing various apparatus such as the Studio Reformer, Wunda Chair, Trapeze Table or Barrel. Based on the work of Joseph Pilates. All levels welcome.

Pilates Reformer: A great workout for strength, flexibility and core control utilizing the Studio Reformer. Based on the work of Joseph Pilates. All levels welcome.

Pilates JumpBoard: A class that combines the traditional spring work of the Pilates reformer with cardio by adding a platform at the end of the machine to rebound against. This is a high intensity workout while remaining low impact on joints, keeping the body happy and healthy.

Strength Foundation: This fundamental class will utilize various strength equipment and tools to ensure proper form for safe and effective progressions.

Functionally Fit: This small group session will focus on functional total body strength and conditioning using different tools like TRX, weights, stability balls, Battle Ropes, etc. Take your fitness to the next level with this circuit style training and add variety to your workouts.

Core / Balance

TRX Total Body: Full-body suspension training focused on strengthening the core while incorporating total body movements.

Pilates Reformer Foundation: A great workout for strength, flexibility and core control utilizing the Studio Reformer. Based on the work of Joseph Pilates and geared towards beginners.

Pilates Reformer Elite: A great intermediate level workout for strength, flexibility and core control utilizing the Studio Reformer. Participants should have previous reformer experience and can perform foundational exercises.

Balance Training & Fall Prevention: These sessions will incorporate balance training, as well as utilize a number of different tools in the fitness center to stabilize and strengthen your core to prevent fall and other injuries.

Cardio / Weight Loss

ResoLOSEtion: This 6-week challenge is a fee-based program that will include: Training with a Trainer 4 days/week- small group, Body composition and circumference measurements, Weekly weigh-ins, Nutrition Tracking & Meal planner guide, ESD Cardio Programming (ESD Technology tailors interval training to you, so every workout is as efficient and effective as possible)

Core Conditioning: Resistance training circuits including high-intensity strength training. Focused on building core strength and muscular endurance for all levels.

Flexibility / Mind-Body

Pilates Reformer Foundation: A great workout for strength, flexibility and core control utilizing the Studio Reformer. Based on the work of Joseph Pilates and geared towards beginners.

Pilates Reformer: A great workout for strength, flexibility and core control utilizing the Studio Reformer. Based on the work of Joseph Pilates. All levels welcome.

Pilates Apparatus Foundation: An excellent Pilates equipment-based class utilizing different apparatus such as the Wunda Chair, Trapeze Table and Reformer. Appropriate for participants who have had previous Apparatus experience.

Pilates Total Body: A great full-body workout for strength, flexibility and core control utilizing various apparatus such as the Studio Reformer, Wunda Chair, Trapeze Table or Barrel. Based on the work of Joseph Pilates. All levels welcome.

Pilates Mixed Apparatus Circuit: A circuit style class geared towards weight loss utilizing different apparatus such as the Wunda Chair, Trapeze Table and Reformer.
