

Swim Lesson Program

Fall-Winter-Spring
2019/2020

SAN MATEO
ATHLETIC CLUB
AT
COLLEGE OF SAN MATEO

1700 west Hillsdale Blvd. • Bldg. 5 • San Mateo • CA • 94402

Welcome

We are upgrading lives, one swimmer at a time. Whether you are new to the world of swimming or an experienced water enthusiast, we have an aquatics program that will work for you.

We offer year-round swim lessons for all ages and stages. Classes are available seven days a week, to both San Mateo Athletic Club members and non club members. We specialize in small group classes, semi- private and private lessons to meet your needs. Our comprehensive collection of programs will satisfy every level of swimmer.

Our experienced instructors guide children and adults along the journey to feeling safe and comfortable in the water. We believe that learning to swim is not a luxury but a necessary and vital lifelong skill. For those who are further along in their aquatics journey and looking to refine skills or technique, our coaching staff will help you to work on your movement in the water to reach your personal goals.

Group lessons are designed to be repeated if needed. Students will be graduated into the next level when they are able to achieve all the skills necessary to be successful at that next level. It is always at the instructors' or aquatics' staff discretion to move a child up or down a group depending on evaluation of skills or ability to effectively stay with the group progression. Typically the first day of lessons will be used as an evaluation to ensure proper placement.

We recommend that you register for multiple session blocks at a time. We offer a discounted rate for registering for up to 16 lessons at a time. Please note that registration is not complete until payment is made. Group lessons will be canceled if there is less than 50% enrollment. Those registered in a group class that is not at 50% enrollment can be moved to a different time.

***We anticipate a closure of the instructional pool for 4-6 weeks during the fall. All lessons and accounts will be placed on hold during this time unless they can be accommodated in the 50m pool. There will be no refunds for this closure.**

Contact information:

Aquatics Desk Hours:

Monday through Friday: 2:00pm-7:00pm

Saturday & Sunday: 9:30am – 2:30pm

Aquatics Desk Phone: (650) 378-7383

Aquatics Desk Email: SMAC.Aquatics@smccd.edu

Aquatics Program Supervisor: Audrey Gaddis / gaddisa@smccd.edu

Aquatics Director: Yvonne Taylor / TaylorY@smccd.edu / 650-378-7381

Swim Lesson Guidelines

Payments: All payments must be made prior to the first lesson. Payments may be made by cash, check or credit card. We do not pro-rate for missed lessons. A credit towards future lessons or swim team may be given on a case by case basis after approval from the Aquatics Director. **There are no refunds.**

Joining Mid-Session: You are welcome to join our classes at any time. Mid-session class placement depends on availability and is not guaranteed. Late registration is at a prorated fee with the Aquatics Director approval. Fees are never more than 50% discounted regardless of when you join.

Scheduling: To schedule your lessons, we require 24-hour advance notice. There are no “drop-in” lessons. Early registration and multi-session registration is strongly encouraged.

Group Lesson Make-Up: Make ups for group lessons only occur if the lesson is canceled by SMAC due to a weather or rental issue; or if the instructor is ill. All lesson participants will be notified of a cancellation and the make up date / time. Group lesson make up day will typically be on a Friday.

Private Lesson Cancellations: To cancel a private lesson without charge, you must contact your instructor **and** the Aquatics Desk, 24 hours before your scheduled lesson. If you fail to cancel at least 24 hours in advance, you will be charged for the full lesson. There will be no make up for private lessons if the participant is a late cancel or a no show, regardless of reason. Misuse of the 24 hour cancellation policy may result in removal from the instructor's schedule and placed onto a waiting list.

Semi-Private Lessons: You must schedule your own swimmers for a semi-private lesson. Swimmers must be of equal skill. To cancel a semi-private lesson, both parties of the group must cancel by alerting the Aquatics Desk 24 hours in advance. Failing to cancel at least 24 hours in advance, will result in both parties being charged for a full lesson. If only one participant shows, the lesson will be held, and the second participant will still be charged for the lesson with no makeup.

Deadline for Lesson Use: All packages for private & semi private lessons expire 6 months after purchase.

Diapers: Please note all children whom wear diapers must wear a swim diaper and a plastic pant.

Tardiness: Please arrive on time or early for your lesson. Should you arrive late, you will be charged the full amount for the lesson even though you may not receive the full amount of time.

Holidays: Group lessons are not scheduled on Holidays. (New Years Eve & Day, Easter, Memorial Day, Independence Day, Halloween, Labor Day, Christmas Eve and Christmas Day).

Safety & Child Supervision: For the safety of your child, no one is allowed in the pool before class begins without an instructor. When class is over, the swimmers must exit the pool. **NO EXCEPTIONS.** All children must be under direct adult supervision at all times. We ask that you sign your child in before their scheduled lesson.

Weather: We do not cancel any swim programs for weather with the exception of electrical storms.

Changing & Locker Rooms: Please take advantage of our family changing rooms and restroom located under the scoreboard. ***(The SMAC locker rooms are for adult members of the athletic club only).** Restrooms are available on the 2nd floor. **DECK CHANGING IS STRICTLY PROHIBITED.**

Parent Viewing Guidelines for Swim Lessons: We encourage parents to watch their children during swim lessons. However, we have found that when children are nervous it is better if the parent is out of the child's sight. Our instructors are trained in how to deal with fearful and reluctant swimmers.

Parent communication: We encourage parents to communicate with our swim instructors and Aquatics Desk staff. We value your feedback and realize you know your children better than anyone. However, during the lesson time please let our instructors focus on your swimmer. We are happy to talk with you right before or after the lesson for a brief conversation. If you need to have a longer conversation, our Deck Supervisor is available to speak with you during the lesson or you can schedule a time to speak with your swim instructor at a mutually agreeable time.

Group Lesson Curriculum

Family Tot / Tiny Tots (ages 6 months – 3 years)

Family Tot is our Parent & Child Class for ages 6 months – 2 years

The student to teacher ratio is 10:1. Class length: 25 minutes

The Family Tot class is an interactive class designed for your children to gain confidence in and around the water. Emphasis is placed on learning through fun by using songs, games and colorful equipment. We introduce the following skills: floating, breath control, gentle submersions, survival skills and learning tips. Parents are required to participate in the water with your child during the class; so come prepared to get wet and have fun.

Tiny Tot Minnows (ages 2 – 3 years)

Student to teacher ratio is 2:1. Class length: 25 min

The minnows class is designed to be a transitional class for children to learn to swim without mom or dad in the water. This class will build on the skills learned in the Family Tot class and begin to introduce scoops and kicks. Swimmers in this class will gain more confidence in the water and continue to have a heavy emphasis on safety.

Preschool Classes (ages 2.5 - 5 years)

Student to Teacher ratio is 3:1 for Level 1 and 4:1 for Level 2 & 3

Class length: 25 minutes

Tadpole (Level 1): The Tadpole class is the first level in the preschool swim lesson program. It is an introductory class for children who are new to swimming or nervous in the water. Our goal is to develop confidence, breath control and proper body position with instructor assistance. Positive reinforcement is critical to help the child build trust and confidence. Graduates will be able to do 10 relaxed bobs, front float for 5 seconds, get in the ready position, jump to the teacher from the wall and relax in an assisted back float.

Sea Turtle (Level 2): This class is the second level in the preschool swim lesson program. It is for children who are comfortable in the pool and will go underwater without the assistance of an instructor. This level focuses on learning basic stroke technique, improving floating skills, kicking strength and survival skills. Graduates will be able to back float for 10 seconds, do proper kicking technique on their front and back, swim 5 yards front stroke unassisted to the wall and dive down to pick up a toy or object from the bottom of the pool.

Seal (Level 3): The Seal class is the third level in the preschool swim lesson program. It is for children who are able to swim independently and are ready to learn basics of all four competitive strokes. In this advanced level, graduates will be able to swim freestyler with rollovers for 15 yards, swim backstroke 15 yards, perform elementary backstroke, dolphin kick, breaststroke kick and safe sit dives.

Youth School Classes (6 – 12 years)

Student to Teacher ratio is 6:1 for Levels 1, 2 & 3 and 8:1 for Stroke Development

Class length: 30 minutes

Stingray (Level 1): The Stingray class is the first level in the youth swim lesson program. It is for children to build confidence and learn basic water safety skills through fun and games. Graduates will be able to kick 25 yards on their front and back, jump in the water and recover safely, perform elementary backstroke, front crawl for 25 yards, tread water and swim underwater for 10 seconds or more.

Otter (Level 2): The Otter class is the second level in the youth swim lesson program. It introduces all four competitive strokes which includes Freestyle, Backstroke, Breaststroke, and Butterfly. In addition to proficiency in all Stingray Level One skills, graduates will be able to swim 15 yards of freestyle with side breathing, backstroke, breaststroke kick and dolphin kick.

Dolphin (Level 3): The Dolphin class is the third level in the youth swim lesson program. The emphasis will be placed on refining technique in all 4 competitive strokes. Graduates will be able to swim 25 yards of freestyle and backstroke, know the dolphin and breaststroke kick, and be able to tread water for 2 minutes.

Stroke Development: The Stroke Development class is for students who have advanced through the swim lesson levels and are able to swim 25 yards of freestyle with side breathing. This level will refine stroke mechanics for all four competitive strokes. Endurance will be a key focus of this class. Students will also be taught about the competitive world of swimming; including competitive starts, turns and specific stroke techniques.

Middle School Classes (9 – 14 years)

Student teacher ratio is 8:1

Class length: 55 minutes

Stroke School: The focus of this level is to build an environment for youth to practice swimming skills in a supportive, inspiring and non-competitive atmosphere while maintaining a healthy exercise routine. This is perfect for older children who may not be as confident in their swimming skills and/or those who have a reluctance to participate on swim team.

Prerequisites for this level are comfort underwater and a basic understanding of freestyle, backstroke and dolphin kick.

2019/20 Fall-Winter-Spring Group Lessons

Step 1: Pick your sessions / dates

Fall, winter, and spring lessons will be offered either on a twice per week basis (M/W or Tu/Th) or once a week (either Saturday or Sunday). All sessions contain 8 lessons with the exception of Spring Saturday/Sunday session III that contains 4 lessons and is offered at a discounted rate.

Fall 2019 Session I

- M/W Session I: September 4 – September 30
- T/TH Session I: September 3 – September 26
- Saturday Session I: August 31 – October 19
- Sunday Session I: September 1 – October 20

Fall 2019 Session II

- M/W Session II: October 7 – October 30
- T/TH Session II: October 1 – October 24

Fall 2019 Session III

- M/W Session III: November 4 – November 27
- T/TH Session III: October 29 – November 21
- Saturday Session III: November 2 – December 28
- Sunday Session III: November 3 – December 29

Winter 2019/2020 Session I

- M/W Session I: December 2 – January 3 (No lessons the week of December 23rd or on Wednesday, January 1st. The last lesson of the session will be held on a Friday)
- T/TH Session I: December 3 – January 2 (No lessons the week of December 23rd.)
- Saturday Session I:

Winter 2020 Session II

- M/W Session II: January 6 – January 29
- T/TH Session II: January 7 – January 30
- Saturday Session II: January 4 – February 22
- Sunday Session II: January 5 – February 23

Winter 2020 Session III

- M/W Session III: February 3 – February 26
- T/TH Session III: February 4 – February 27

Spring 2020 Session I

- M/W Session I: March 2 – March 25
- T/Th Session I: March 3 – March 26
- Saturday Session I: March 7 – April 25
- Sunday Session I: March 8 – May 3 *No lessons on 4/12

Spring 2020 Session II

- M/W Session II: April 6 – April 29
- T/Th Session II: April 7 – April 30

Spring 2020 Session III:

- M/W Session III: May 4 – May 29 (No lessons on Monday, May 25th in observance of Memorial Day. The last lesson of this session will be completed on Friday, May 29).
- T/Th Session III: May 5 – May 28
- Saturday Session III: May 2 – May 23 (This session is offered at HALF PRICE due the shortened length).
- Sunday Session III: May 3 – May 31 (This session is offered at HALF PRICE due the shortened length).

Step 2: Choose a lesson level and time

MEDICAL QUESTIONNAIRE

Please list any physical disabilities, mental disabilities, allergies, illnesses, medications, or injuries we should know about..

Additional Aquatic Opportunities at San Mateo Athletic Club (SMAC)

Bulldog Aquatics – Offers a variety of programs for the development of swimmers and water polo players. Programs include pre-team, developmental programs, swim team, and fun competition. Private instruction from a certified team coach is also available through Bulldog Aquatics.

Bulldog Swim Club - The Bulldog Swim Club (BSC) is a year-round, USA Swimming program, that offers both a developmental option and a competitive team option. The competitive groups participate in swim meets throughout the year in both short course and long course. Placement evaluations and tryouts are normally held during August and practices begin the Tuesday after Labor Day. Participation on the BSC requires a monthly financial commitment. For more information on registering, team placement, or coaching questions please contact the Aquatics Desk.

Youth Water Polo - Currently offered as a recreational program with beginner and advanced groups. Practices are conveniently offered after swim team so that your swimmer can participate in both programs.

Masters Water Polo – We are happy to announce that we now offer SMAC Masters Water Polo. Practices will be offered Monday and Wednesday from 7:15-8:45pm.

Masters Swimming - SMAC offers one of the best masters program in the area. With 25 coached practice options per week, adult swimmers 18 & over can find a work out time that fits a busy schedule. Please contact Coach Tom Reudy at: Reudyt@smccd.edu

***SMAC Membership is required for both Masters Water Polo and Masters Swimming**

American Red Cross Safety Classes - SMAC is proud to offer numerous Red Cross classes. Our certified staff are able to offer over 24 safety courses. We host and/or teach the following classes on a regular basis: Lifeguarding, Shallow Water Lifeguarding, Lifeguard Instructor, Water Safety for Swim Team Coaches, CPR/AED/First Aid for layperson and professional rescuers, Babysitting, Wilderness & Remote First Aid and Bloodborne Pathogens Training. Other classes are available upon request.

Our certified staff also participates as instructors for the Bay Area Pathways Academy (BAPA) held here on the College of San Mateo campus during the summer.

Interested in becoming a member of SMAC?

You'll find a welcoming environment with quality programs and classes. Whether you prefer group exercise classes or one-on-one personal training with a certified instructor, San Mateo Athletic Club offers a wide range of ways to reduce stress, improve health and achieve your lifetime fitness goals. Our mission is to create a healthy environment that engages our members in the pursuit of health and physical fitness.

We place a priority on providing personalized service. Our team of degreed and certified fitness specialists and health educators will work with you to develop your fitness program.

Featuring:

- 23,000 square feet of fitness featuring state of the art equipment
- Personal Attention - Each membership includes two orientations with a Personal Trainer
- Fully appointed Locker Rooms
- 2 Heated Pools
- 50 meter Olympic pool (80°) and 25 yard Instructional pool (88°)
- 4 Studios, 90+ Complimentary Classes per week including: yoga, pilates, aqua fitness and cycling

Experience what San Mateo is talking about! Call to schedule a complimentary tour. 650.378.7373
