

Dear San Mateo Athletic Club Members:

The San Mateo County Community College District has announced a temporary suspension of face-to-face classes, non-essential meetings and events, effective at the end of the instructional day on Wednesday, March 11, 2020. Currently, there are no confirmed Coronavirus exposures on our campuses. In accordance with guidance we have received around large gatherings, this will include the closure of the San Mateo Athletic Club to members at the end of the business day today (9:30PM). The duration of the closure has not been confirmed at this time, but we will keep you updated as the situation develops. We are compiling a list of frequently asked questions and will make that available to you as soon as we have it.

Our leadership team is making decisions on the best information available, and this information changes often. Please monitor your email for additional updates and further instructions. Also, we encourage everyone to stay up-to-date with District announcements at [emergency.smccd.info](https://www.smccd.edu/emergency).

We know that this is an uncertain and stressful time for all.

We sincerely appreciate your patience and flexibility during this time.

Tom Bauer
Vice Chancellor
Auxiliary and Community Services
