

## SMCCCD San Mateo Athletic Club (SMAC), Bulldog Swim Club (BSC), Vendor, Vaccination and Documentation Requirements

Public Health officials advise that fully vaccinated individuals are well-protected from serious illness due to known COVID-19 variants including Delta variants, and vaccinating as many people as possible, as soon as possible, continues to be the best defense against severe COVID-19 infection, and the harm it can do to our region. Vaccines are safe, effective, free, and widely available to everyone 12 and older.

The SMCCCD Board of Trustees has adopted policy ([BP 2.90](#)) that requires COVID-19 vaccines for employees, students, and members using District services such as the San Mateo Athletic Club (SMAC).

Fully vaccinated is defined as two (2) weeks (14 days) post completing a COVID-19 vaccination series (two (2) doses for Pfizer and Moderna OR single dose Johnson & Johnson)

*(Individuals who have recovered from a COVID-19 infection are still required to obtain a COVID-19 vaccine)*

Beginning **November 15, 2021**, SMAC will require proof of full vaccination for all individuals over the age of 12 in order to participate in any services/programs offered by SMAC or provide any services to SMAC. Upon check in, staff will request vaccination verification via a CDC vaccination card or digital COVID-19 vaccine record. Notation of vaccination verification will be recorded in participants' records and will not be requested for subsequent visits.

**Samples for reference:**

**COVID-19 Vaccination Record Card**

Please keep this record card, which includes medical information about the vaccines you have received.

Por favor, guarde esta tarjeta de registro, que incluye información médica sobre las vacunas que ha recibido.
